The purpose of this event is raise funds to support the mission of MDF; that is, *“to ensure the conservation of mule deer, black-tailed deer and their habitat.”* In 2008, funding was allocated to the Lander Front Habitat Restoration Project and the Wyoming Range Mule Deer Habitat Assessment in a combined and joint effort of several MDF WY Chapters including the Wind River Chapter. These are two projects identified by the WY Game and Fish Department as “high priority”. The funding for these projects has been made possible through the work of volunteers throughout Wyoming. So please come out and support the volunteer’s efforts.
