The Southern Nevada Chapter of the Mule Deer Foundation (MDF) cordially invites you, your family, and friends to its 3rd *annual* fund-raising banquet. Enjoy dinner and a night of fun. Seating is limited and is available on a “first come, first served” basis.

WHEN: Saturday, May 9, 2009
WHERE: Gold Coast Casino, Las Vegas, Nevada
TIME: Doors open @ 5:00 pm; Dinner @ 6:30 pm

The purpose of this event is to raise funds to support the mission of MDF; that is, *“to ensure the conservation of Mule Deer, Blacktail Deer, and their habitat.”* Nevada has been ravaged by wildfires and drought over the past few years and mule deer need our help more than ever. Projects that have been done with our funding, in conjunction with BLM and NDOW are:

- Shantytown Fire Rehabilitation Project
- Summit Project-Hays Canyon Aspen Restoration/Juniper Reduction
- Roberts Mountain Wildlife Habitat Enhancement Project
- Area 6 reseeding efforts with the Elko Chapter
- Waterfall fire reseeding project with the Sierra Nevada Chapter
- Engine maintenance and rebuilding of the NDOW helicopter with the Northern Nevada Chapter

Last years Funds are being used together with chapters from Winnemucca, Reno, Austin and the Ladies Luncheon For area 035 deer study in Humboldt County. We funded about \$4500.00 towards this project. Elko is funding several projects including the Ruby Mountains Biological Control.

Other projects that NV chapters have participated in include the Bighorn Sheep roundup, Antelope roundup, Rosaschi Ranch Fence Removal and Ranch Restoration, Robb Fire replanting, and Sagebrush seedling replanting on Peavine, and the Ellison Ranch Conservation Easement seed planting.

The funding for these projects were made possible through the work of our volunteers throughout Nevada. During the 2009 So. Nevada Chapter Fundraiser, a unique line of MDF merchandise will be available in auctions and raffles including:

- MDF 2009 Belt Buckle by Montana Silversmith
- MDF 2009 Knife by Silver Stag
- MDF 2009 Print of the Year “Busted Bachelors” by Michael Sieve
- MDF 2009 Rifle (Weatherby Bolt Action in .270 Cal.)
- Framed artwork and a variety of other household items, outdoor gear, and firearms
